

The Future of the Internet

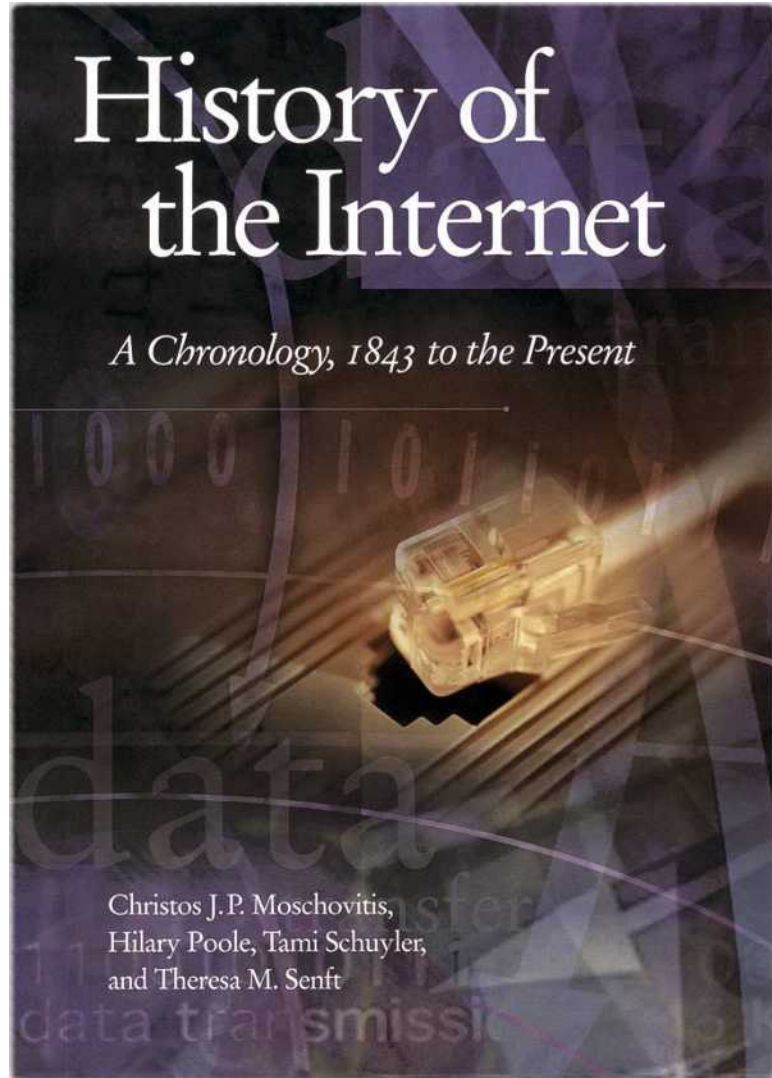

What's Coming and Do We Care?

by Philip Emeagwali

“A Father of the
Internet”
- CNN

This futuristic
presentation will
inform, enlighten and
entertain!

He will also articulate
his dreams for the
future and reflect on
where humanity is or
should be going.

Emeagwali is in “History of the Internet” books.

Visit CONFERENCESPEAKERS.ORG for video, fee and more info.
