

PHILIP  
**EMEAGWALI**  
Homework

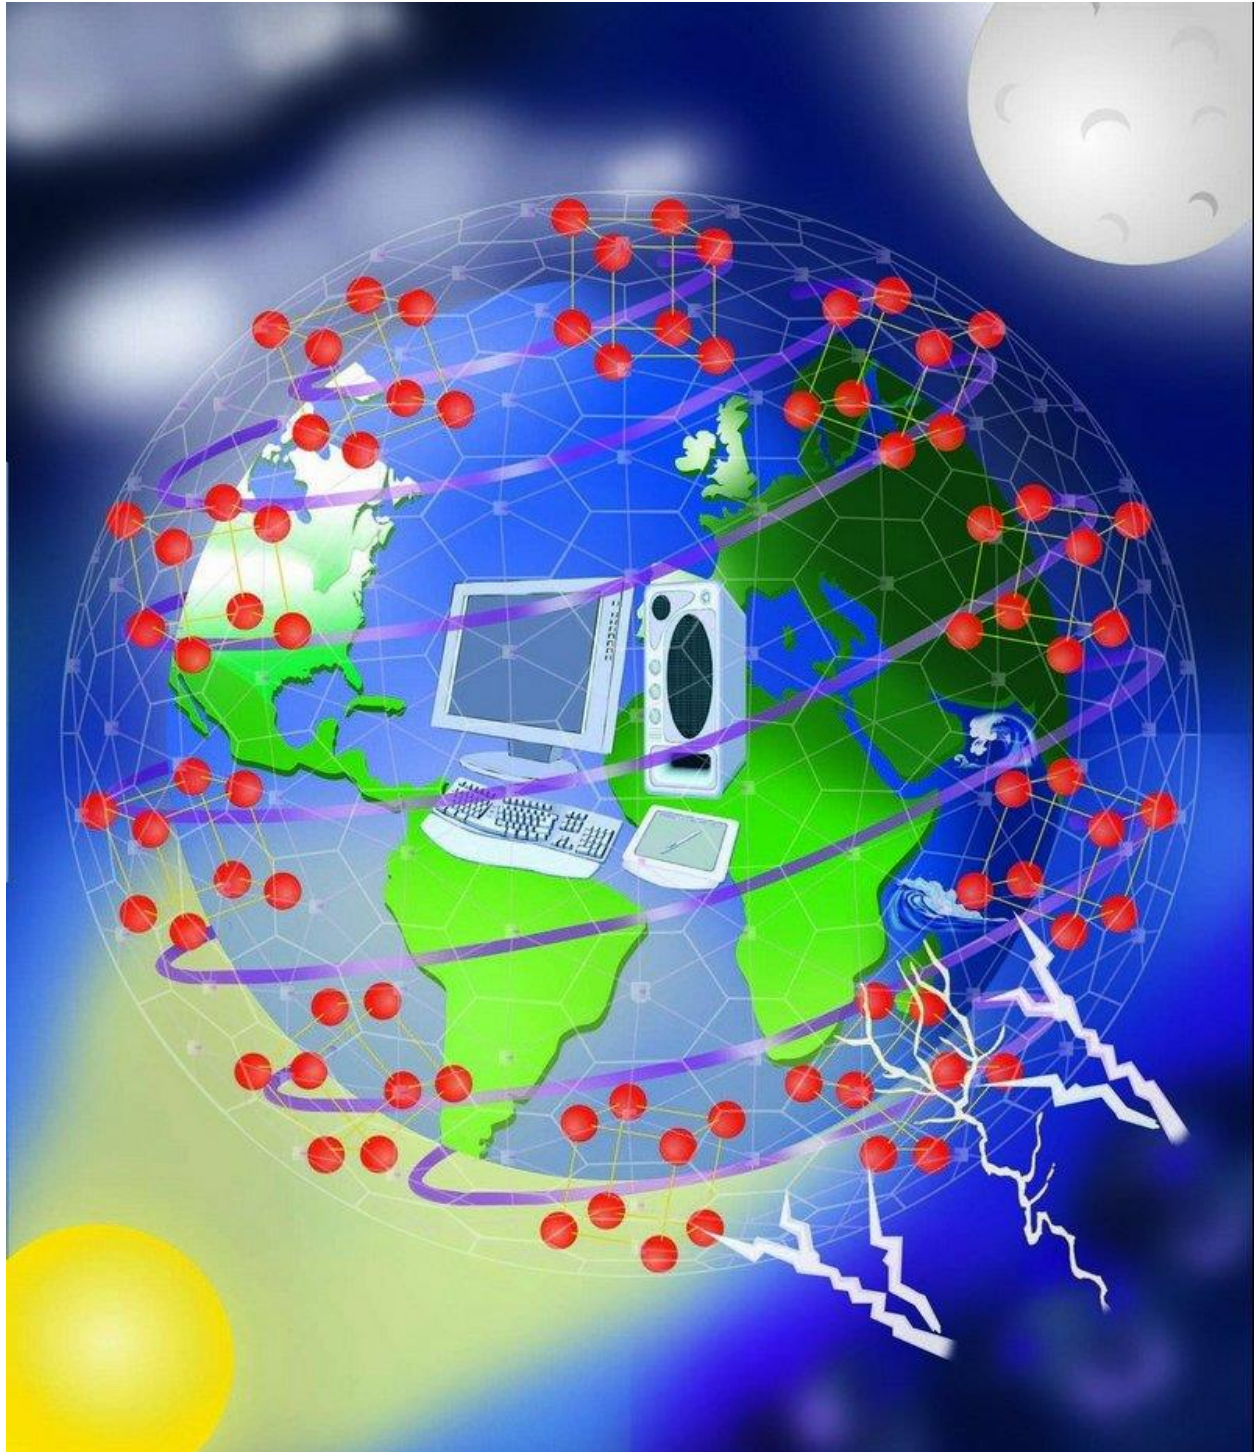

By [emeagwali.com](http://emeagwali.com) ®

1. ARTICLE: Submit an article about Philip Emeagwali to your school newspaper. Produce an imaginary interview for in-class dramatized reading performance. Go to [emeagwali.com](http://emeagwali.com) to borrow his words for your interviews. Give your classmates feedback on their articles, interviews, and dramatic readings.

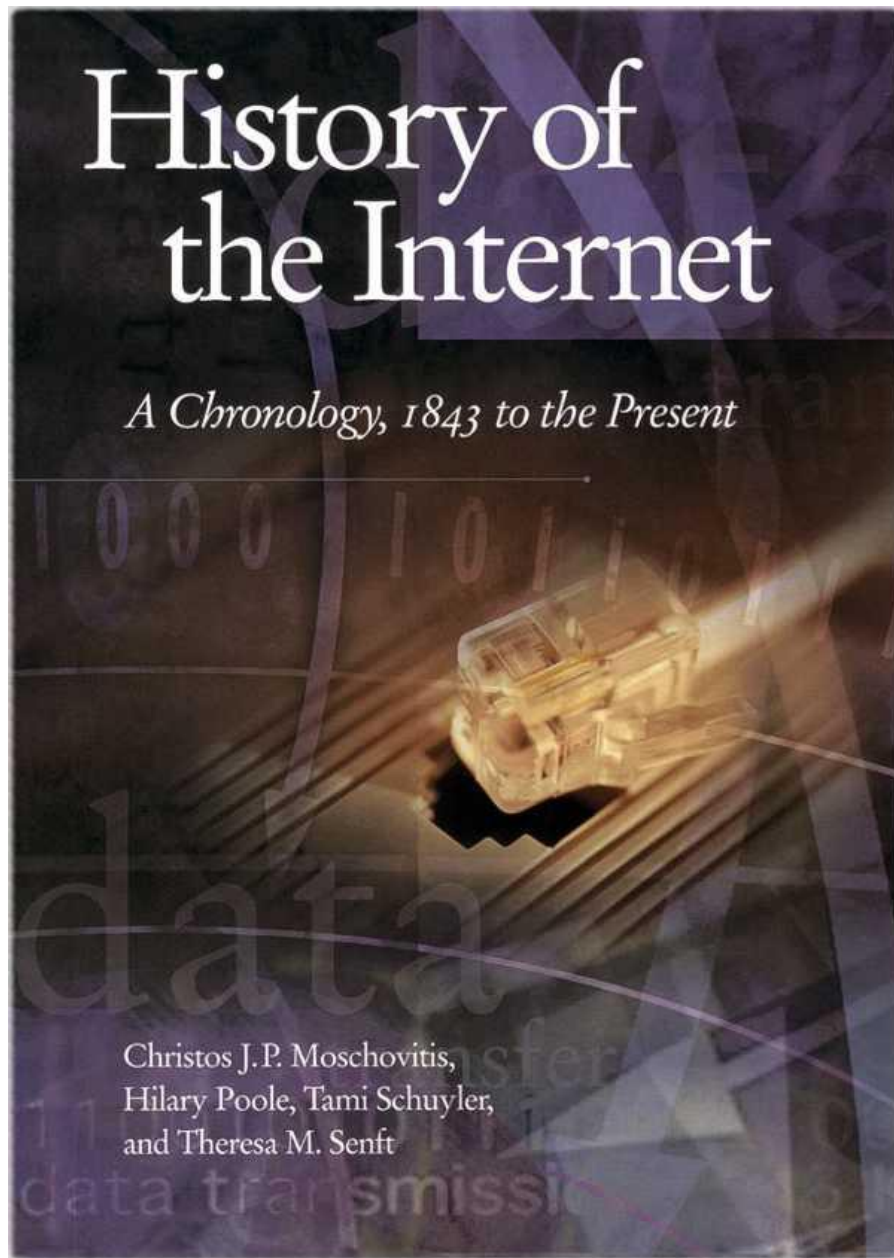

2. LETTER: Write a letter to Philip Emeagwali. Ask him three questions each about Africa, computers, and internet. Tell him how his inventions benefitted you. Read your letter to your classmates.

3. EMEAGWALI POSTER: Produce a poster of Philip Emeagwali showing his life in Africa and the United States and his discoveries and inventions. Discuss your poster(s) with classmates. Did you learn new things to expand your poster?

4. [emeagwali.com](http://emeagwali.com): Read the online biography on emeagwali.com and find more information on Philip Emeagwali. Discuss what you learned with your classmates.

This book *History of the Internet* describes the contributions of Philip Emeagwali.
